Senior Portrait Information For Prep Charter High School

Senior portraits will be taken during the week of September 17th and continuing during the week of the 24th in the auditorium at school. We will do traditional head and shoulder senior portraits. Girls will be photographed in drape and cap and gown. Boys will be photographed in tuxedo and cap and gown. Students will receive approximately 24 proofs. A \$25.00 sitting fee is due at the time of the sitting. Students can pay by cash, check, money order, MasterCard, Discover or Visa.

We will be meeting with the seniors at school on Friday September 7th and can answer any questions at that time. Students will be notified of the exact day and time of their portrait sitting during the week of September 11th.

You will receive proofs approximately two weeks after the sitting. Ordering instructions as well as a price list will be enclosed along with the proofs. We have packages starting at \$70.00.

Payment: A \$25.00 sitting fee is due on the day the photographs are taken. Full payment is required for your package and any additional prints on the day the order is placed. 8% sales tax will be added to all orders.

Preparing for your sitting: We will provide privacy tops and drapes for the girls and tuxedos for the boys, along with cap and gown. Boys should wear a t-shirt under their school uniform shirt. Girls should have their hair and nails done and apply any make-up before coming to school. A small necklace is suggested for the photographs with the drape. If you have a class ring, please wear it to school that day. Also, you may want to take a comb or brush with you.

We look forward to meeting you on the week of September 17th. If you have any questions, please contact us at 215-275-4164. You can also email any questions to julesjv@att.net.
