

WELCOME TO ELEVENTH GRADE!

Directions:

Attached you will find the required summer reading assignment for English III. Students have the option of reading *The Other Wes Moore* by Wes Moore or *Their Eyes Were Watching God* by Zora Neale Hurston. After incoming juniors have **chosen ONE** of the 11th grade summer reading novels, students will be required to complete the attached packet. This packet will serve as a major assessment grade for English III. Students will be expected to turn this assignment in for grading during the first week of school. In addition to this packet, students will also be formally assessed on their summer reading via an essay style test upon the start of the school year. Students will receive the date for their summer reading test during the first week of school.

We are looking forward to having the Class of 2021 in the classroom and are hoping for a pleasant and productive school year. If any student has any questions about these requirements, please notify Mrs. Marrandino.
