### **McKinney-Vento Act**

*The McKinney-Vento Act defines "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence and requires all local education agencies to ensure that each student experiencing homelessness has equal access to the same free, appropriate public education as provided to other students. Prep Charter High School will comply with all requirements of the McKinney-Vento Act as outlined in the Pennsylvania Department of Education's Basic Education Circular ("BEC") regarding Education for Homeless Youth.*

*Under the McKinney-Vento Act, State educational agencies (SEAs) and local educational agencies (LEAs) must review and revise policies and procedures to remove barriers to a high-quality education for homeless children and youths. Every SEA must have an Office of the State Coordinator to oversee implementation of the Act, and every LEA must designate a local liaison able to carry out their duties to ensure that homeless students are identified and have a full and equal opportunity to succeed in school. The McKinney-Vento Act also requires that:*

- *homeless students who move have the right to remain in their schools of origin (i.e., the school the student attended when permanently housed or in which the student was last enrolled, which includes preschools) if that is in the student's best interest;*
- *if it is in the student's best interest to change schools, homeless students must be immediately enrolled in a new school, even if they do not have the records normally required for enrollment;*
- *transportation must be provided to or from a student's school of origin, at the request of a parent, guardian, or, in the case of an unaccompanied youth, the local liaison;*
- *homeless students must have access to all programs and services for which they are eligible, including special education services, preschool, school nutrition programs, language assistance for English learners, career and technical education, gifted and talented programs, magnet schools, charter schools, summer learning, online learning, and before and after-school care;*
- *unaccompanied youths must be accorded specific protections, including immediate enrollment in school without proof of guardianship; and parents, guardians, and unaccompanied youths have the right to dispute an eligibility, school selection, or enrollment decision. This includes children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason, living in motels, parks, or campgrounds; or children or youth who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a sleeping accommodation by human beings; or children or youth living in cars, abandoned buildings or substandard housing or similar situations; refugee or migratory children because they are living in circumstances like those described above.*

**Registration documents may be submitted in person to Prep Charter High School, or sent electronically to the Admissions Secretary at [lciniti@prepchs.org](mailto:lciniti@prepchs.org). Guardians are encouraged to view their waitlist position on our website at [prepchs.org](http://prepchs.org).**
